Young Scots win Shaftsbury Tournament !!!

Birkenhead stunned as Academy produce undefeated streak

Another trophy on the tableas the 'little uns' pulled off another fantastic tournament win in Sunny (or

Pleased as punch – Academy lift trophy

wet) Birkenhead. The Academy played exceptionally well in their group matches which included an off shoot of the Olympic Lions Squad who beat us in the final of the Wales tournament earlier in the year. This was a slightly watered down version of that squad but nevertheless we managed to beat them 2-0. The final was a stuffy affair ...with **Gary Keenan** shooting a fantastic winner to give us a well deserved 1-0 victory. The hosts and well fancied 'Shafts' were beaten in the semi-final on penalties. We managed to draw 1-1 with the 'Shafts' in a game we should have won. Again, winning captain Ryan Love decides that adjusting his shinguard is a much more important priority than lifting a trophy. Perhaps it bores him now ...this being his second trophy of the season to date.

Gradings disappoint one or two parents

Unfortunately, at times like these there is heartache and disappointment when students get either put up or down a grade. The important factor is to fight back, and make sure you prove everyone wrong. However some parents just never accept that their youngsters sometimes just don't put in the effort or do not have the ability that is required at this level. The level that our students are paced at is 100 miles away from the majority of normal boys clubs. When everyone had a break for the Summer some of our students had played around 20 odd games in tournaments down South. It is an intense football club, with professionalism oozing at every corner. Unfortunately **Bradley Reid** is one of the victims. **Bradley** has been with us a long time, and his parents are wonderful people who have done great things for this Academy and we are so sorry to see them go. Also, **Ian Downs**, Manager of the 1998 Improvers has decided to resign from the Academy as Team Manager and also relinquished his role as Treasurer of the Club's Fund Raising Committee. Again this decision was taken on the back of a grading decision which Ian did not agree with. A 'new' re-adjusted gradings list will be compiled for next week's newsletter.

MINI-CRISIS with 1998 Improvers

Due to the 'sudden' departure of Mr Ian Downs, **Robert Gormley** steps up as Manager of the 1998 Improvers with immediate effect. Robert will take charge of the 'A' Squad. An assistant will be named with the next **TWO** weeks to assist with the 'B' Group. Meanwhile, because we have an absolutely fabulous group of parents within that squad, **Mr Larry O Hara** has agreed to step in and take control of the Group for the tournament next Saturday in Barnoldswick, and he will be assisted by **Mr Robert Sands**. John or myself cannot be there as we have another tournament in Ayr with our own squads. If any parent who regularly attends games with this squad wishes to facilitate the squad at games on a Saturday on a permanent basis, please advise me at your earliest convenience. All help would be appreciated (every weekor even on irregular weeks). You will not be required to do any coaching...merely to facilitate the game(s) on a Saturday morning. Any 1998 Improver who does **NOT** have the kit, please see article in this newsletter.

Milk Cup – Northern Ireland

This week I took my annual visit to Northern Ireland to observe the MILK CUP, one of the largest professional youth cup competitions in the world. I only managed to see some of the Under 19's games as I had to return on the Wednesday night as I had a coaching session in Chester on the Thursday. I can report however that Hearts FC (Under 14's) managed to win the small age group for the second successive year and the Under 12's (their first time over) did not do so well and struggled against the Germans. Hearts FC - Under 19's lost 3-0 to Maccabi Haifa. They now play CSKA Moscow for 7th or 8th place. The final is between **Swindon Town v Crumlin** in Coleraine Showground.

Dress Code

I was appalled last Sunday at training with the amount of students that are not observing the club dress code. The two top squads have a training kit, the rest must wear their Scotland Kit until the new kits become available. But the most important issue was **SHINGUARDS**....the students are not insured if they are not wearing shinguardsand the most annoying thing was that these were not all **NEW** students...these were students.... some that have **been with us over a year**. **Can all parents please insure that dress code is adhered to.** The other issue was failure to bring a PROPER BALL. All students must bring a reasonable, proper, blown up ball.....1998 and 1999 should have a Size 4, and the 2000 age group should have a Size 3. Now these balls are **£2.50 and £3.00** out of any Sports Soccer (Donnay) shop....so lets' get some decent footballs please.

NEW KIT – Final transitions in place

We have now drawn this situation to a close.

The Background

It was customary in the past for Scotland Boys Club – Academy of Football – to order their entire kit from the SFA with an approximate cost to parents of £200+ every year !!! Some of the equipment would be good quality – some was appalling. When the kit changedso did everything elseanother two hundred pounds. And some parents have two and three students with the Academy. Worse than that, the SFA never kept stocks ...it was always special orders. **Not on I am afraid.**

Current Position

The parents starting asking for alternatives and I then advertised in the Scottish News to see if any parents were willing to take an active role in the management of an outsourcing operation. Two came forward, **Tricia Love and Jean Thomson**. Last weekend I got an opportunity to get quotes etc and Tricia Love (Jean was on holiday) came with me to try and come to a solution.

The first offer on the table was from **Brian Adams** who sourced 'cash and carries' and came up with a reasonably affordable solution based on a Rainjacket, Training Kit, and two sweat tops, one with a hood on it – all in Navy. There were a number of advantages (mainly the cost and the quality) but several disadvantages. We would have had to buy the clothing in bulk up front, outsource bags elsewhere, take it over to Dee Sports, leave it, collect it, and of course pay for screen printing and embroidery. Then there was the problem of one off's. The other problem was that it all looked extremely **PLAIN**. Good quality but plain. We needed something colourful, professional, quick and preferably a **one-stop-shop**. You know what it is like buying school uniforms....shoes from this shop, trousers from this shop, official school jumper from another etc...an absolute nightmare.

The Solution

Two manufacturer's were extremely expensive (I had checked them out myself)... which led us to our 'very own' **DEE SPORTS** in Dundyan Road, Coatbridge. Tricia and I have negotiated a fantastic 'deal' in today's marketplace, in the Club's corporate colours of Navy, Sky, and Yellow. We have also designed our own 'badge' and had some copyright put on it.

EVERYTHING will need to be purchased from **DEE SPORTS** so that we can command a massive discount. The only thing that will **NOT** be obtained from **DEE** will be the official Scotland Strip which is to be released in **SEPTEMBER**.....not August as predicted. When you get the new Scotland strip it should be taken over to **DEE** and they will put on your squad number on the back and front of the jersey, your name on the back, and your number on the shorts. You can have your first name or your surname on the back of the strip...but NOT a nickname i.e Speedy.

Any new player who has joined the club but has not got the 'current' Scotland Strip...just get plain white shorts, plain navy socks and you should get the jersey in Sports Soccer, some JJB Sports shops or the 'In Shops at Parkhead Forge' (Ian Ferguson's shop). If still no luck with the jersey....let me know and I will speak to some of the parents who may have old Scotland strips which are too small for their son but would be willing to give it to you as a gesture....then they can play in matches. (if eligible). **YOU NEED SOME FORM OF KIT TO PLAY.....**

From DEE you will be getting :

- **One Tracksuit** in Club Corporate colours. This will have Scotland Boys Club on it, the Club's new badge embroidered on it, and your squad number on it. This will be for games mainly (except the 2000 age group) who don't play gamesthey can wear it whenever they like.
- **One All Weather Training Top**, in club colours, with Scotland Boys Club on it, embroidered badge, and your number on it.
- **One Training Kit** comprising of a Navy Tee Shirt, Navy Shorts, and Navy Socks. T Shirt will be embroidered with badge, and will have Scotland Boys Club and your squad number on it.
- **A Rain Proof Jacket**. This is ideal for wearing when you have a quick shower of rain. It can even go on top of the Training Top. Ideal for training and games. It will be screen printed with badge, Scotland Boys Club on it and your squad number.
- **A Scotland 'Academy' holdall** for games with badge, lettering and squad number on it.
- **A Scotland Boys Club 'shoulder bag'** for training with badge, lettering and squad number on it.

ALL OF THIS WILL BE AVAILABLE TO YOU FOR £100 – SAVING £150

- **YOU MUST ALSO HAVE**
- **SHINGUARDS**
- **WATER BOTTLE**
- **SCOTLAND TAMMY (AVAILABLE FROM HAMPDEN SHOP)**
- **YOUR OWN BALL (1998 – SIZE 4, 1999 – SIZE 4, 2000-2001 – SIZE 3.)**
- **SET OF ANKLE WEIGHTS 0.5 KG**
- **CHEAP SKIPPING ROPE.**

Can I also point out that the Academy will not be supplying coaches with equipment from now on. This the unfortunate consequence of people getting the kit and not returning it when they leave.

DEE SPORTS will provide you with the same package as above, for the same discounted price.

Payment and Ordering

Tricia Love once again has kindly offered to put on another hat and assist in the co-ordination of this venture. DEE SPORTS will only offer us this discount on bulk orders, so we need the cash in really quickly.

Tricia will collect the money from you (and get you to fill in an order form). When paying make sure you get a **RECEIPT** from her please.

That is your only proof that you have paid.

Trish is currently getting samples and her first job is to come and see everyone in the Academy and to get each student **'SIZED'**.

Once we have agreed sizes, you simply fill out the order form, give her the money, and she will order. Immediate orders are required **NOW**.

Any cheques should be payable to DEE SPORTS. Now I am putting a turnaround 'timescale' on this venture. **EVERY STUDENT MUST HAVE THE COMPLETE KIT BY JANUARY 1st 2007.**

That gives everyone plenty of time. For Xmas delivery, full payment must be paid by end of November.

Any student who does not have the full kit by January 1st 2007 will not be participating in any activities. In order for us to get the 'ball rolling' ...we need a minimum of 15 orders....so lets get saving please.

After the bulk order has been done, parents will be able to order 'spares' on a one to one basis, only you will not get the discount. These one-off orders would be done by you yourself...by going over to DEE yourself. i.e suppose your son/daughter took the tracksuit outside and fell and ripped the sleeve. You could go to DEE and order a new one (pay them) and they would order.

So buy the kit now. Samples and order forms should be available from next weekend.

THIS YEARS CHARITY APPEAL

Scotland Boys Club – Academy of Football – was set up initially to try and help those worse off than ourselves and every year we contribute to various children’s charities. This year I have decided to opt for a Children’s Kidney Charity.

Kidney charity for Scottish Children, Kidney Kids Scotland

was founded as a charitable Trust in July 2000 with the specific aim of helping children with renal disease and their families.

Their Vision-

To assist in raising standards of paediatric renal care in Scotland to a level that we believe our youngsters are entitled to.

Can you help ?

Attached is a quiz sheet.

What I would like every family in Scotland Boys Club to do is fill in the Quiz...who cares if you get the answers right or wrong....stick in a cheque (MADE PAYABLE TO Kidney Kids (Scotland) for two pounds ...YES only TWO POUNDS !!! and post off to the address provided.

I will get some feed back as to how you all done.

After all ...think about it. Your child is fit and healthy and playing for our Academy.

What if one day he or she needed a kidney.

A horrific thought.

Please donate now...don’t leave it along....

YOU KNOW IT MAKES SENSE.
