# New Training Arrangements

**Manchester Cup - Despite frequent requests to have this money PAID on time,**

.....there are still **SEVEN PEOPLE** according to Theresa that have not paid for this trip.

Just to make you aware, in order for the holiday to go ahead, I have paid this money out of my own pocket to allow the trip to continue.

I would really appreciate it if this could be paid back to Theresa this weekend at the latest. If you reckon these figures do not tally up, then please check in with Theresa at the weekend.

The BUS will be leaving a CENTRAL POINT (still to be agreed) at 1.00 pm on the FRIDAY.

**THE HAMPDEN CAN COLLECTION.....I have been informed by Brian Adams, organiser of the Weekend Can Collection at Hampden, that only NINE families managed to turn out on Saturday.**

Quite a few were playing matches at 12.00 noon so their commitment was limited.

He has advised me that **£800** was collected so well done to everyone who contributed.

My understanding is that a proportion of this money will go towards subsidising the **BUS**....but Brian is dealing with that side of things and any queries should be raised directly with him.....

## Adidas MODULE TWO

Because of the popularity of Module One, we have started a list (date to be determined) for **MODULE TWO**. Again, the cost is 20 pounds (which includes yet another Coerver Ball.) The 2000 / 2001 age group have been allocated some money from the original fund raising committee – and I have decided to use this to help assist in the payment in Module Two. Last week there was confusion from people who thought that students from **OTHER** age groups were getting this Coaching Session subsidised. **THIS IS CATEGORICALLY NOT CORRECT**. It is only the 2000 / 2001 age group that is being subsidised. This is part of their Xmas Gift Money !!!! Therefore ALL 2000 / 2001 age groups – **this module will only cost you £10** (the club will put £10 towards this cost). Again, this Module is limited to 40 players and this will be on a first come – first served basis. Goalkeepers will be permitted to attend this second module.

As you can see there is quite a few places still available.....so can I please get them filled asap please....especially with those 2000 / 2001 students who are getting it subsidised by £10.00 each !!!

### Bolton Wanderers Trip - Present Numbers Going

The list below is the final numbers from those who want to go on this trip. Unfortunately it is not enough to justify 'booking' the event at the price quoted.... I appealed to other age groups to make up the numbers but there were **NO TAKERS** except one, but unfortunately someone has dropped out so we are no further forward.

I have been onto the organisers and they have now quoted a **NEW PRICE** of **£70** per person.

**IF YOU ARE STILL INTERESTED IN GOING at the NEW price, I need to know this weekend at the absolute latest. At all costs, please advise Theresa what is happening. I need to know one way or the other.**

BOLTON WANDERERS TRIP		£70 per person

**LET US KNOW NOW PLEASE**

# New Cambuslang Tournament

The weekend started with the blow that **Cambuslang Rangers** park was 'double booked'. Luckily, Eddie Gibson spent a whole day on the telephone trying to re-arrange the entire tournament. He did, and moved it to **Brancumhall, East Kilbride**, otherwise it would have been a shambles. I thank him on behalf of the Academy for doing this ... 'well done' !!! Then Park Villa pulled out because of internal issues....which caused operational problems. But once again Eddie to the rescue when he pulled together a 'Partick Scotland Wanderers' side therefore not having to re-arrange all the fixtures. All in all, our **School of Excellence** had a fantastic tournament winning **ALL** their games, and the **Academy PLUS** managed to only lose **ONE** game and win the rest. A fantastic performance by the two 1998 Squads beating teams like Airdrie Boys Club, St Mirren and Abronhill from Cumbernauld.

**Bonus Ball**

The **BONUS BALL** competition was won last week by **PATRICIA BURT**. Well done to her. The **FOUR BALL** lottery was not won and the prize money for this week will be topped up slightly and is currently standing at

**230 pounds**

### **1999 School of Excellence, PLUS 1999 Academy PLUS Squad.**

- Four fantastic little games against a little Westwood Rovers side who battled all the way. Managed in the end (after a struggle) to get four out of four victories but it was hard work. It was a cold morning and the students had to work really hard.....but then again we were in East Kilbride. !!! My additional thanks again to the bravado efforts of Jim Ruddick (2001) and Calum Holland (2000) who battled with the weather (and the opposition) to help the 1999 School of Excellence win their two matches.

### **1998 'Navy' and 'White'... 'Improvers'**

- The 1998 Improvers had a very ill tempered series of games against Baillieston Juniors (always tricky games). They managed to get a couple of good results and a couple of not so good results. The most important thing is that they are playing together as a unit but lacked consistency. Having said that they have improved dramatically over the last couple of months and they must just keep working hard. Really we are still struggling to get players for this squad, and are having to 'loan' them players every week from other squads. A review meeting is proposed for this Sunday after training with the coaches concerned.

### **1998 School of Excellence and Academy PLUS**

- Holytown Colts could only offer us one team to play so we sent along the Academy PLUS...but it was a mismatch. We allowed them ten players against our seven and we still rolled out seventeen goal winners !!!
- Fortunately we managed to get another little game against Westpark 1997's at Bishopbriggs. That game ended up 2-2 and was a usual little exercise.

## ***Last call on 'Football Glasses'***

Several weeks ago I reported that **SPECSAVERS** were doing a 'deal' with **SYFA** to offer discounted safety glasses for our students. We are now in a position where the 2000 Age Group are starting to play friendly matches and we have a few players in those age categories who, as far as I can see, have **STILL** not managed to attain these glasses. It is illegal for any club to play in a match (friendly or otherwise) a student who does **NOT** have safety spectacles. Our insurance does not cover them to play (or to train – believe it or not) and if involved in a serious injury (ie loss of an eye) no compensation would be available to the child or his family. So please, can anyone who has glasses please endeavour to obtain these safety spectacles at their earliest convenience. **You know it makes sense..**

### **KITS '4' KIDS**

Billy Lennox (one of the Dads from the 1998 Improvers) is collecting the 'kits 4 kids' tokens. Could anyone who can help with this venture please give the tokens to Theresa who will in turn give them to Billy. Your help is much appreciated.

**Scotland Boys Club – Annual Awards Ceremony 2007 – Tickets available NOW !!!!!**

The date of the Awards Night is **Saturday 26<sup>th</sup> May 2007**.

**Tickets are available TONIGHT and this weekend and I can assure you you better get in there QUICK. This will be an absolute sell out – so get your orders in NOW. You need to PAY for your tickets before you get them. Tickets will be priced £5.00.** I am **NOW** accepting prizes for the massive raffle we will be running this year.
