New Training Arrangements

Starts NEXT weekend ...NOT this weekend !!!

I have just received the new lets for our Training Facilities at Hamilton Palace and these are indicated on the next page. Please study them carefully. **THESE NEW TIMES / DATES START NEXT WEEKEND.**

Several students did not turn up **LAST Friday** to training and we did not even get the courtesy of a telephone call. Surely parents can take the time to let us know if there is a problem. I know some did, and thanks to those for that.

Monthly fees

Most people have indicated that they wish to pay their monthly fees this weekend (although strictly speaking you could pay them next week). I will leave it up to yourself.

Can I please ask again if those parents who pay weekly could possibly pay monthly ...it makes life so much easier for Theresa and when assisting...Sharon. Please think about it and if possible...pay MONTHLY !!!

Because Sunday is going to be pandemonium due to the fact that the 2000 age group are having an all day tournament....**Sharon Holland** will collect the 2000 subs on the Saturday (saves mucking around on the Sunday).

She will also collect **TOTE** money on the Saturday as usual. So if you want to pay monthly this Saturday (2000's) please seek her out at the game at Hamilton Palace Sports ground. Theresa will of course be around on the **FRIDAY NIGHT** but not on the Sunday.

So could the **2001 Age Group** please seek **Sharon** out on the Sunday morning please. Thanks for that.

Squad Changes

As mentioned in previous weeks, there are a few squad changes this month (October). We make these small changes periodically as players move in and out.

Also if the squads are imbalanced there are changes...ever so slight. We would also like to welcome several new players who have asked to come along to the Academy.

In the **2000** age group we are delighted to get another goalkeeper, **Connor Reid** from Coatbridge, and we are also phasing back **Alexander Easdale** from Port Glasgow Juniors. Alexander will phase into the 2000 'White' squad over the next month or so and he will be afforded a transition period.

In the 1999 age group, one of the **Claremont players**, who's name escapes me at the moment, will also be afforded a transition period to make the big move into our 1999 'Navy' squad.

Finally, in the 1998 age group we would like to welcome **Scott Barr**, who joins us from Celtic Boys Club. Scott will either be playing for the 1998 'Navy' squad or the 1998 'White' squad. We wish them all well.

NO Tote winner this week

THE WEEKLY TOTE ONLY TOOK IN £240 LAST WEEK AND WAS NOT WON. So the profit will be £240.....The main reason for the intake being so low in comparison with previous weeks was the fact that it was the September week-end and several of the teams were not playing. Because of that it was difficult for us to collect in all the monies as we normally do. **PRIZE MONEY THIS COMING WEEK IS THEREFORE £100.**

At a glance we notice that 20'ish parents do not contribute to the **TOTE** – not even 50p.....which is really a bit silly. If those parents decided to contribute even a couple of lines...say £5 a month....it could mean that their child would get their holiday paid for them next year. Yes, a fiver a month which you can pay in advance. So instead of paying your monthly £20....why don't you pay an extra £5 and reap the benefits. If this **TOTE** continues to bring in the amount it is bringing in, we will not only be able to subsidise the student's holidays....we may be able to subsidise the **PARENTS TOO !!!!!** So can I ask those 20 people (and you know who you are) to at least take a couple of lines (£1 a week) and get the benefit of a possible free holiday for your child.

Everyone who does contribute is doing fantasticbut a special mention to **Cameron Stewart's** family and **Gilbert Mc Lean's** family who are going 'well beyond the call of duty' with their contributions....keep up the good work folks....you are a credit to yourselves !!! **Remember you can pay this monthly too !!!!!**

SFA Initiative

The SFA are encouraging more pro-active coaching sessions for children and to promote this initiative, Bobby Mc Donald will be running a series of 'free' development sessions under this banner. Based on the four key principles of the game, ie Width, Penetration, Depth, and Support. These sessions are designed for groups of eight players + two goalkeepers and will be held in the **indoor arena at Hamilton Palace** (dates to be announced). The goalkeepers in these sessions will be 'runners' to make sessions practical...and will not be coached. We will also be running one of these sessions especially for goalkeepers where they will be coached. Coaches will also be invited to these sessions where they can take notes and develop their own skills to take back to their training sessions. Sessions will last one hour. Any parent's who wish to 'book' their son/daughter onto these sessions which begin in October should give their names to Theresa **NOW** and places will be allocated on a first come first served basis. Remember these are **coaching sessions – NOT Training Sessions.....**concentration and listening skills are needed more so than natural ability.

The first session will be on **DEPTH** **NAMES TO THERESA NOW PLEASE (INCLUDING COACHES).....**

Non Friday night attenders

Could all students who are involved in training with senior clubs on the Friday evening please arrange to pay Theresa **their subs as usual**, and their **TOTE**preferably on a monthly basis if at all possible. This would be greatly appreciated. Thank you for your assistance in this matter.

Bonus Ball

The bonus ball was **WON** last week by **Paul Hughes** – well done to him !!! As indicated earlier in previous Newsletters – we are discontinuing the **LOTTERY**....last week was the last week it will be running. We have decided to concentrate our energies on the **TOTE** as this is the money maker that is going to benefit the kids (and their parents) most of all. So if you were in the Lottery...my apologies ...I can only ask you to contribute those monies into the **TOTE**. **Thank you for your efforts.**

Disclosures and Coaching Certificates

I think I have most of these Certificates in now.....I will do a final check next week and advise accordingly.

Coaches Tracksuits

Please keep paying guys.....YOU ARE ALL NEARLY THERE !!!! Thanks for that >>>>>>

A.W.O.L.

Jim Ruddick is on a course this coming weekend therefore will not be available for anything on Saturday and Sunday. To provide cover for him, **Derek Mc Donald** will take the 1998 'Yellow' team for the game at the Bathgate Sports Centre, which will free me up to take the 2000 'White' at Hamilton Palace. If however I can get alternative cover for the 2000 age group (volunteers welcome).... then I will cover the 'yellow' shift myself. We will see how Friday goes. On the Sunday, **John Renwick** will run **BOTH 2000 teams** (they do not play at the same time) with able bodied assistance from **Alex MacDonald** (later in the morning) as I am at a tournament in Grangemouth with **Aberdeen**.

Date for Diary

ALL Scotland Boys Club – Academy of Football Coaches will be required to attend the next meeting of the Lanarkshire Youth Football Association which takes place on **Sunday 14 October 2007 at 6.30 pm, Calderwood Community Hall, East Kilbride**. This is part of a declaration I signed up to in order for the teams to be allowed to participate in League Football this season, hence the reason I am giving you all plenty of notice. If you cannot attend this meeting, please advise me, so I can advise the LYFA as soon as possible please.

They may then want to speak to you individually.

Last Weekend

The 1998 'Yellow' Squad had a big victory last weekend over Broxburn as did the 2000 age groups against Musselburgh Boys Club. The boys from the East were no match for the boys from the West. Having said that, our squads played exceptionally well to merit and justify the victories.

Our 1998 'Red' Squad had a much closer set of results at Nethercraigs beating Hillington, drawing with Partick Thistle, and losing by the odd goal to Castlemilk Boys Club. To stabilise this squad and to maintain consistency, we have decided to name **Paul Macmillan** as the permanent manager of this group.

I am sure Paul will put in 100% effort into the awesome task ahead. As usual, we will be 'topping up' this squad with different 'Navy' and 'White' players every week. Whilst playing, all of the players will 'roll on and roll off' as usual so that all squad members get equal playing time.

There is an argument that the 'red players' will get the entire two games every Sunday.....**this will NOT happen**...they will roll on roll off just like the other '**imported**' players. The club has a reputation to protect and to lose by big scores every week will just not be happening....the objective is not necessarily to win, but it is to **compete and develop** and the only way they can do this is to play alongside good players.

RULES OF THE 'ROUND ROBIN'

All games will be **15 minutes** each way (5 minutes for half time and five minutes for end of game changeover) and will be started promptly by a **LOUD horn**, any teams not on their allocated pitch ready to play will lose playing time so as not to delay the next game. Each teams coach will be required to referee one half of each game (any two teams can agree between each other that one coach does whole game). Kick ins or throw ins (up to team coach). Attacker cannot touch ball until defender has touched first. Goalkeepers can kick out ball if they want to. If there is a 'mismatch' the weaker team may put on **ONE EXTRA player**. **No scores will be recorded, no points will be allocated.** All teams must do 'line up' at end of game to shake hands. Teams should have bibs or change of colours in case there is a clash. Certificates will be awarded to all participants at end of round robin. Substitutes on a roll on roll off basis up to a maximum of four substitutes. No proof of age will be required, we just trust that no one will be prepared to 'cheat'. Scotland Boys Club are NOT charging for this 'round robin' and providing the facility and football completely free of charge. **IT WILL BE A LONG DAY SO BRING PACKED LUNCHES PLEASE !!!**

Please note that there are no changing facilities booked and that all players will need to arrive 'ready to play'.

FINALLY : NO PARENTS ARE PERMITTED ON THE TOUCHLINES....ALL PARENTS / SUPPORTERS MUST BE BEHIND THE PERIMETER BARRIER.

There seems to be a conflict in 'who plays who' in this League as it certainly does not match The fixture list. So some weeks we will have to play it by ear. Please bear with us.

Alex lasts the pace

Alex Keenan, who plays for the **1998 'red' group**, is **not** training with Celtic, Rangers, Aberdeen, Hearts or anyone else.....he only trains with Scotland Boys Club – Academy of Football - and do you know something, I am sure he does not miss a minute's sleep over it !! Alex is one of the Academy's longest serving players, a player who is loyal, dedicated and someone who just loves playing football for the Club.

He has survived new players coming in, old players leaving, and has just progressed steadily, at his own pace week by week. It is nice to have a kid who does not have his world dazzled by senior teams...just content to put 110% effort in every single week. His parents get involved in holidays, fund raising ventures.....and everything else we through at them without one complaint. Alex (junior) has had more managers at the Academy than most people have had 'stew dinners'.

A more polite child you will not meet, a youngster who listens to everything his coach says...and endeavours to try and put it into practice on the park every week. I had the pleasure of coaching Alex a few weeks ago in NORTH BERWICK AND THE **DRAMATIC IMPROVEMENT** IN THE LAST TWO YEARS WAS THERE TO SEE. Keep up the good work Alex, you are such a well mannered young man....if only the other 79 squad players had your traits...life would be so much easier.

Alexa role model student when it comes to attitude and behaviour.

Still got bits and pieces to come in
