Young 'Scots' star in the rain !!

No matter - How much the press praise the national team for a gutsy performance last Saturday....as far as Scotland Boys Club – Academy of Football are concerned there were only one set of heroes. It was the Academy students that turned out in pouring rain, standing shaking cans at supporters, trying to raise holiday money. Most stood for three hours in the rain, missing the match, and having to be content with watching the highlights. The kids, and the parents who deserve a fantastic round of applause also, should get a medal from braving the rain in such a miserable day. **WELL DONE TO YOU ALL AND THANKS. Over one thousand pounds was raised.** The parents and students who turned up will clearly benefit from this collection more so than those who didn't bother to make the effort. Can I take this opportunity of thanking Michael & Suzanne Innes for their organising of the event, decorating the buckets etc....which I know took hours and hours of their personal time.....and for those who spent hours counting it all. Michael's next event is going to be a 'Bag Pack' ...so once again we need volunteers....and please.....**DOES IT ALWAYS HAVE TO BE THE SAME OLD PEOPLE ????** Let's get some new parents involved in these events....names to Theresa as usual.

NO Tote winner this week

So we are back up to £100 prize money this week. Again, the numbers are slipping away....can we get some 'new' parents involved with contributing to this 'holiday money' moneyspinner. For the benefit of 'new players' can you discuss our weekly tote with Theresa....and she will take your money off you on a weekly or monthly basis. If anyone is unclear how it works or if there are any issues with the tote, **the person in charge is MICHAEL INNES**....please contact Michael (or Suzanne) if there are any problems.....

Michael's number is 07908749527 OR 0141-771-5660.

Please ring him if you want to know results etc. As you will now be aware, if you are on E Mail, Michael will email you the 'winners' and new prize money at the beginning of every week.

Raffle Tickets are going out this weekend

We are taking the liberty of giving **EVERY family** in the Academy - £50 worth of 'New Year' raffle books to sell over Xmas and New Year. The tickets are ONE POUND each ...so you will have 50 tickets to sell. When families are round for Xmas, or if you are visiting relatives etc....please try your very best to get rid of them. Again, the majority of this money will go towards holiday funding. Can coaches also take tickets please (although most of you will if you have students in the Academy) ...but those who don't have....please take a batch to your work etc.

First prize is a massive signed framed '**Brazil Top**' signed by the entire **Brazil team**. There are lots of other prizes. The draw will be made on the **SUNDAY** (1st week back) after New year – at Training and **NOT** on the Friday as it says on the ticket. This is to allow the Sunday group to get their tickets into the draw. Now we need your raffle prizes handed in to Theresa **NOW** please. Very few have handed them in.....Theresa reports small numbers....

We are looking for **70 parents = 70 prizes**...even if it is only a box of chocs....**please !!!**

SNIPPETS

- **The new 2000 / 2001 Group**Training is **ON** this Sunday morning at Hamilton Palace (10.00 am till 12.00 noon).. Robert Sands will be in charge of the group as usual. Please ensure that you have **ALL** ordered kits, filled out enrolment forms, and have organised your 'Scotland Home Kit'. **David Gray** will train the 2000 'White' Squad on Sunday morning as **Jim Ruddick** is on a course all weekend. I will run the team on the Saturday for the last time in this trial period.
- **John Renwick (Senior)** is to have a meeting with **ALL the 2000's parents** after training on Sunday morning. He has decided to enter his team into the 1999 League for the second half of the season to benefit them – the players, the club, and the parents. He will announce his new squad – which will be the strongest group of 2000 players in the Academy, and the remainder of the group will remain in the 2000 league as the 2000 'white' squad. These groups will **NOT** change until the end of the season (unless of course some better players come along). The group changeover will however take immediate effect and the squads will be announced in next week's Newsletter. Any problems with the changeover – please contact John **DIRECT** as these decisions are solely his decisions...not mine.
- The **1998's RED squad** will have **THREE** games on Sunday this weekend (game against Pollok United at 11.00 am is the additional fixture.)....so Paul may bring in a few extra players in case the existing group are 'dead on their feet'.
- The 1999's had a **FREE WEEK** this weekend but I have just learned that the 'free team' have been replaced by **MILL UNITED COLTS** who are the 'overflow' of the current **MILL UNITED** squad.
- **Calum Whyte and Calum Glasgow** are not available for selection for the **1999's** this weekend.
- **Declin Martin** (2000's 'White') is to be invited to join the **Aberdeen Development Squad** (2000's) on a Friday night for **SIX WEEKS** for an assessment. He will start on Friday 30th November 2007 at 7.00 pm
- The **2000 'Navy' squad** will change their training night to **FRIDAY NIGHT instead of a Sunday morning**. John Renwick will explain the reasoning behind this move when he meets the 2000 parents on Sunday after training. AFC will 'coach' the SBC players that are involved from 7pm till 8pm.....then they will 'split' and BMCD will take the AFC boys from 8pm till 9pm and John will take his full group from 8pm till 9pm. John will of course take the 'balance' of his group from 7pm till 8pm.

This weekend

This weekend I will be **AWOL** from **Saturday lunchtime until Tuesday evening** doing my final stint of the year for the SFA. I will **not be available on mobile OR email** during that period in time as I am living in at Inverclyde. So please save your messages up if you don't mind....you can certainly leave messages on my voicemail and if anything is urgent I will do my best to respond. **Aberdeen FC training is OFF Sunday & Monday**. I will be lettering and/or emailing everyone on the Wednesday/Thursday of next week re-whether they have to come back or not.

Andrew Gallacher, currently playing for Ian Blair's 1998 squad is a tough tackling, hard hitting left back who is growing in stature every week. Andrew has had a great deal of experience playing in quite a few of the 1998 Groups, and has had a wealth of experience playing down South for the Academy in a variety of competitive competitions. Although described 'loosely' as a defensive full back, Andrew thrives to surge forward and enjoys overlapping when he gets the opportunity. Looking forward to his 'first' eleven a side match at the weekend. The 1998's have decided to arrange their first '11-a-side game' against each other at the **Bent Recreation Park** on Sunday afternoon – a **2.00 pm kick off**...that should be interesting. Ladbrokes are currently taking bets on this fixture but I have firmly stuck my last fiver on Big Blair's team who are currently lying at 2-1 on favourite for the game...Ha! Ha!...Should be good fun...get yourselves along if you are doing nothing folks.

1999 Age Group

The 1999 age group ...over the last few months have been struggling for numbers. We attempted to compromise and go back to having a strong squad but this left the 'weak' squad ...**EXTREMELY** weak. Add to this call offs, injuries, flu, personal problems and the result is a very weak, low set of numbers which are now not becoming viable. John and I will be addressing this problem over the next fortnight and we will advise you of what will be happening with this age group. There are a numbers of options and we will be looking at all of these.

1998 Yellow Group

The 1998 'yellow' age group...there is a major concern over the viability of this age group continuing as a unit after Xmas. We are having to borrow players every week, and although they are winning every week, consistency is a problem. I am contacting all the senior clubs in the next week (the ones who are retaining my players on a Friday night) to find out what their plans are as only Anthony Ralston, David Thomson and Gary Keenan are attending training regularly. Derek Mc Donald and Gordon Burt will be having a meeting with the parents concerned (providing they are at the game) to find out their intentions. There are a lot of options available which we can come up with but cannot make decisions on the matter until we know the intentions of the parents. We need a bigger, fuller commitment over the next six months at training and at games...and **Derek & Gordon** will chat to you all over the next couple of weeks.

Subscription Money

This is the **very last call for three people** who have stopped paying subscriptions since their non appearances at training in recent weeks on a Friday. Can they please take this final opportunity of getting up to date. The people know who they are. We cannot afford to run indoor facilities and utilise the number of parks we utilise without subscriptions. **It is just not fair.** As you know, you are all getting the whole of December off from paying...everyone.....so please take this opportunity (**ALL ACADEMY MEMBERS**)..... to get up to date. This also includes Sunday payers.

Last Weekend

The 1998's (Navy, and White) squads had a very difficult set of encounters against Hamilton Accies only winning one game out of four. Accies are of course a pro youth side...so exceptions can be accepted. The 2000's game was called off on the Saturday but had a series of fabulous matches against Syngenta.....with both teams winning one each and John's team getting a draw. Jim's team lost one game. The 'yellow' 1998 squad had another comfortable victory in the West Lothian league against Livingston Hearts and the 1999's had a series of brilliant results against the fancied EK Burgh United. The 1998 'red' squad won one and lost one...so all in all a good weekend.

Burnley announce Coyle appointment

Burnley have announced **ex-Scotland Boys Club** star **Owen Coyle** as their new manager. The Championship club was given permission by St Johnstone to open talks with Coyle after the clubs agreed a compensation package. Coyle, 41, who played for the club for nine yearshad more than two-and-a-half years remaining on a three-year contract at McDiarmid Park. Burnley are 13th in the Championship and parted company with former boss Steve Cotterill a fortnight ago. St Johnstone had been seeking compensation of around £150,000 for Coyle, and after snubbing an initial offer from Burnley, the In-Bru First Division side agreed to let him move on when the Clarets raised the level of compensation.

Stop press we interrupt this newsletter.....just in !!!!!

TRIBUTES are being paid to Scotland this morning after the entire country laughed itself to death due to a particular football match last night. The alarm was first raised at around 10pm last night as thousands of phone calls and text messages went unanswered. Small groups of volunteers from Berwick-Upon-Tweed and Carlisle ventured north just after midnight only to find houses full of dead people gathered around still blaring television sets. By dawn, as RAF helicopters flew over deserted city streets, it was clear that the whole country had suffered a catastrophic abdominal rupture. Wayne Hayes, a special constable from Northumberland, said: "We went into one house in Dunbar and found three men sitting on the sofa with huge smiles on their faces, still holding cans of 70 shilling. They seemed to be at peace." He added: "In a house near Edinburgh we found a man face down on the living room floor with his trousers and pants round his knees. "It seems he may have been showing his bare buttocks to the television when he keeled over." Roy Hobbs, a civil engineer from Northampton, said: "I got a call from my friend Ian in Stirling at about 9.50pm. "He was already laughing when I answered the phone, but after about 25 minutes of the most vigorous and uncontrollable hilarity, everything suddenly went very quiet." Moving tributes are already being placed along the Scotland-England border with many mourners opting to leave a simple bag of chips or a deep fried bunch of flowers.

But on a much more serious note do you own a TOM TOM ...?

Tom Tom have recalled 100,000 sat nav units this morning. England can't be found in Europe anywhere.

Anyway.....enough of this hilaritywith apologies to any 'English' parents ...you had your turn to laugh last Saturday...now its our turn Ha! Ha!

2000's Xmas Party

Suzanne Innes and Sharon Holland have gotten together and thought about putting on a **Christmas party** for the two **2000 teams only**. Esporta in Hamilton does a great deal for members parties - £8 a head per child for a fully organised and supervised football party, including a hot buffet....you know the usual, chips, hotdogs, etc.... It includes football, but loads of different fun games associated with football as well. As it is not a birthday party they, Esporta, will produce certificates for all the boys rather than party bags. For the adults accompanying the children, they will get complimentary tea/coffee/cordials and the use of the sports facilities - gym, pool, steam room, sauna etc... for the two hours that the kids are having fun! So the parents get to sit and relax as well! They have pencilled in **Sunday 2nd December from 3pm till 5pm** (this is only a week on Sunday so not much time!) for 20 children. It is early enough in December so as not to encroach on shopping time and late enough in the day so hung-over parents from Christmas parties can take their child. So no excuses! Suzanne needs to pay the deposit of £25 this week and it's **non-refundable**, so I hope we get a good turnout. **Payment is needed by this Sunday morning at the latest if you want your child to go.** Either to **Suzanne or Sharon** please. Any problems, please contact Suzanne direct on her Mobile **07753622213** or by email: sinnes@sky.com - no excuses about not being able to get in touch! Also, Suzanne and Michael are donating a selection box to each child on behalf of Matthew as captain to say thanks for all their hard work and effort through the year. It's only something small, but it means the boys will all get a certificate and a selection box after the party. If any other team (age group) want to organise their 'own thing'...as above or similar...then please do so yourselves just like Suzanne and Sharon have done...but please keep me informed.
